Luminaria 2025

UPDATES

Leadership Council - Lauralee, Andy, Bill and I met recently. Plans are underway for a kickoff gathering which will be held at Lauralee's home in May.

CEO Golf Scramble

I am working on sponsorships and will begin assembling the teams. We are planning a gift card raffle instead of a silent auction this year.

Eastern KY Initiative

Several ladies will join me on a trip to Ashland 5/12 to look at potential sites for our inaugural event. I am envisioning a casual, low budget, but fun gathering. I want to get a feel of support for an event in Eastern KY, before potentially growing larger.

Stallions, Sips, & Savories

Meetings are being planned for sponsorships for this year's event.
